

Nissan Forklift

Nissan Forklift Training Vaughan - Nissan Motor Co. Ltd prides itself on attaining total consumer fulfillment when enjoying one of their car, truck or forklift products. They are committed to offering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Dedicated to offering customer support, the business has four independent manufacturing facilities that allow them to continually adapt to their clients continually evolving requirements by providing a variety of innovative ideas and designs.

The Nissan Forklift North and South American base is situated in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to maintain environmental responsibility by using techniques that diminish the worldwide effect of their goods and processes. These high values remind consumers that Nissan operates under the quality seal that their clients require while being an environmentally aware company.

Nissan is quite confident that any of their clients inquiries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community sanctioned dealers or even going to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
